

BASIS Ahwatukee Addition of 3rd Grade

Timeline for Implementation

BASIS Ahwatukee currently intends to add 3rd grade for the 2016-2017 school year and enroll 60 students in that grade. This means the school would open enrollment for 3rd grade as soon as possible pending ASBCS approval, targeting late January 2016.

BASIS Schools, Inc. may elect, however, to delay implementation to a future year.

This *Adding Grade Levels to Charter Amendment Request* will not be submitted in conjunction with any other amendment or notification requests which would warrant concurrent consideration.
